

The FAA Safety Team presents:

## WINGS Safety Seminars

Flight planning preparation in today's online age offers many unique resources including multiple databases and websites. Where do you get your information? Learn where to look and what's available. Plus, discover some new facts about airports that may surprise you. Don't miss this opportunity to refresh your skills and become a safer pilot!

**Directions:** Johnson County Airport, EAA Chapter 506 Clubhouse.

### A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
